The screenshot shows a window titled "Kostenarten - Anzeige" with a standard Windows-style title bar. The main content area has a header with a menu icon and the text "Kostenarten". Below this is a section titled "Kostenart Beschreibung" containing a table with four rows. Each row has a text input field on the left and a "Sperrung" (lock) status on the right, represented by the word "Sperrung" and a checkbox. The first row is "keine Kostenart" with an unchecked checkbox. The second row is "Standard Kostenart 1" with an unchecked checkbox. The third row is "Standard Kostenart 2" with an unchecked checkbox. The fourth row is an empty input field with a checked checkbox. At the bottom of the window, there is an orange bar with three labels: "angelegt am:", "geändert am:", and "Anwender:", each followed by a blank space for data entry.
